Quayside entertaining with an impressive skyline:  
**MUSEUM OF LONDON DOCKLANDS**

# A Cuban Beach Party at the Museum of London Docklands

Museum of London Docklands, West India Quay, London, E14 4AL

Live La Vida Loca in London this summer with a Cuban Beach Party at the Museum of London Docklands.

Originally used to store rum, molasses and cotton, the Museum of London Docklands is the only Grade I listed building in Canary Wharf. The Museum's Rum Store, with its exposed brickwork and original pine interior opening onto a south-facing quayside terrace, provides an incredible setting for a full on Cuban fiesta for up to 200 guests!

Mojitos, maracas and irresistible rhythm will make for a real Cuban party atmosphere. Combine your event with a Cuban menu fusing rich Latin flavours and Caribbean spices to really get the party started, or alternatively host a barbecue or canapé reception. Whichever option you choose this quayside location is bound to captivate your guests, especially at dusk with the lights of Canary Wharf shimmering on the water.

Our on-site team will make sure that your every need is catered for and that each guest departs having enjoyed a truly memorable evening at this stunning summer party venue.

The timings below are a suggested order, for either a daytime or evening event. These can be amended depending on your requirements. If you would like an alternative theme, or if you would like a bespoke proposal put together, then do not hesitate to contact us. We are more than happy to work with your own ideas, themes and budgets.
