*"I am writing to pass on my thanks to you and your team who looked after us during my team event at the Old Royal Naval College. The staff were particularly attentive and went the 'extra mile' by giving the team an overview of the history of the Building at the start of the day and also gave an impromptu tour of the Painted Hall during the break which was very interesting, and very much appreciated by all."*

### Webb Room | 60 delegates theatre style; 30 delegates cabaret; 25 delegates boardroom.

The Webb room is named after its designer, John Webb, apprentice to Inigo Jones, who designed the Queen's House opposite. This beautiful oak panelled room enjoys views of the River Thames and is located on the ground floor of the Admiral's House.

### Wren Room | 60 delegates theatre style; 30 delegates cabaret; 25 delegates boardroom.

A light and airy room made all the more delightful with views of the River Thames and Canary Wharf. The room is named after Sir Christopher Wren who was the overall designer of the world-famous group of Baroque buildings.

### Hawksmoor Room | 25 delegates standing; 8 delegates boardroom.

Designed originally as formal dining room, and still retaining its period feel, the Hawksmoor Room is, of course, ideal for intimate lunches and dinners, as well as boardroom meetings for up to 18 guests.

### Queen Mary Undercroft | 230 delegates theatre style; 100 delegates cabaret.

With grand columns and high vaulted ceilings, the Queen Mary Undercroft room is an excellent space for larger meetings. Situated beneath the Chapel, this room is spacious with the ability to offer in-room catering.
